Hope Rocks: A Festival to Illuminate the Darkness of Addiction and Suicide

Service Provider/Organization Application

Application Deadline: June 1, 2019

Dear Crafter,

Enclosed please find the application for Craft Vendor at the 2019 Hudson Valley **Hope Rocks Festival**. The **Hope Rocks Festival** is the first-of-its-kind in the nation designed to bring to light the epidemic of addiction, suicide and social isolation.

It is the mission of the organizers to create an environment which stimulates, inspires and creates a responsibility to empower each other with hope through a weekend of offerings and activities which show the goodness and interconnectedness of people. It is a weekend which provides those who struggle with issues of mental and social uncertainty a connection where previously little or no connection was perceived.

Given the overall success of last year, the first festival, we are confident you will find this a worthwhile endeavor for you and your product line.

We value your support and trust in our efforts.

This festival is presented by Morse Rocks in collaboration with Raising Your Awareness about Narcotics (RYAN), Breaking the Cycle, and the American Foundation for Suicide Prevention.
In Partnership with the Sawyer Automotive Foundation
