Hope Rocks Events: Illuminating the Darkness of Addiction and Suicide

Craft Vendor Application

Application Deadline: May 30, 2022

Dear Crafter,

We are so excited to be planning for the 2022 Hope Rocks Festival scheduled for August 20 & 21 at the Cantine Veteran's Memorial Complex in Saugerties, NY! We hope you will consider taking part in this festival as a craft/merchandise vendor knowing our mission and devotion toward responding to the epidemic of suicide and overdose which continues to surge in epidemic fashion.

Enclosed please find the application for Craft Vendor at the 2022 Hudson Valley **Hope Rocks Festival**. The **Hope Rocks Festival** is the first-of-its-kind in the nation designed to bring to light the epidemic of addiction, suicide and social isolation. It has also grown to yearlong programs, activities and events with international recognition.

It is the mission of the organizers to create an environment which stimulates, inspires and creates a responsibility to empower each other with hope through programs, offerings and activities which show the goodness and interconnectedness of people. It is a mission which provides those who struggle with issues of mental and social uncertainty a connection where previously little or no connection was perceived.

Given the overall growth and success of the Hope Rocks organization and its events since its beginning, we are confident you will find this a worthwhile endeavor for you and your product line.

We value your support and trust in our efforts.

Local, state and national Covid-19 protocols and guidelines will be followed to ensure the health and safety of vendors, participants, guests and organizers.

Updated guidelines will be shared with all vendors as we draw nearer to the event. For now we will be following masking, distancing and disinfecting rules as they pertain to the present moment.

For more information, visit the Ulster County, NYS health department websites as well as the CDC.
